HMAS Brisbane

Enjoy a Weekend or Mid-Week Trip diving the HMAS Brisbane.

Join Go Dive for weekend & mid-week dive trips to the fantastic HMAS Brisbane wreck off Mooloolaba. Located just 5 kilometres from the shore, the decommissioned HMAS *Brisbane* warship was sunk, using explosive charges, on 31 July 2005. This growing artificial reef and world-class dive site is fast becoming one of Australia's premier wreck dive destinations. There is an amazing diversity and abundance of fish life, and lots of wreck penetration opportunities.
