

PADI Discover Scuba Diving Program

Experience the underwater world with a Discover Scuba Diving Program!

Discover the sensation of breathing underwater for the first time in an easy, controlled environment with one of Go Dive's professional dive staff. The PADI Discover Scuba Diving program will allow you to experience this amazing feeling in the safe and confined environment of a training pool. Once you have tasted the thrill of scuba in the training pool, you have the option of completing two ocean scuba dives from our custom built 12 metre dive vessel, the "DiveQuest". Imagine swimming alongside fish, turtles, octopus and more while being fully supervised by a professional scuba instructor.

Includes:

- 3 hours in our heated training pool
- 2 spectacular scuba dives from the "DiveQuest"
- All equipment
- Instruction by a professional PADI Instructor

Discover Scuba Diving Program \$300

Prerequisites:

- ability to tread water
- reasonable physical fitness
- sense of adventure
- completed dive medical questionnaire (Asthma is usually an exclusion)
