

PADI eLearning

Start your PADI Open Water Diver Course from home today!

Ready to begin your Open Water course but don't have enough free time? PADI's eLearning system allows you to learn the necessary dive theory at your convenience, with interactive presentations that include videos, audio, graphics and reading. This lets you move through the knowledge development efficiently, at your own leisure in your own home.

Replace a whole day in the classroom with 2 hours on the Thursday night preceding your course to cover paperwork and important aspects of the course. Then you are ready to get started breathing underwater in the pool and ocean!

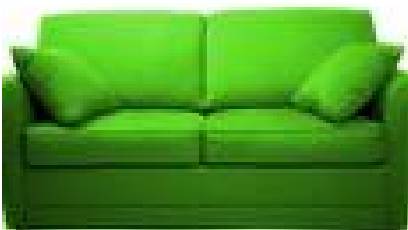

Includes:

- Unlimited access to an electronic version of the PADI Open Water Diver Manual
- Knowledge development in the comfort of your own home
- Lots of Fun, Meet people, TIME of your LIFE.
